All meetings will be in the Park Ballroom unless otherwise indicated.

Wednesday, May 30

5:00–6:30 pm **Welcome Reception** | The Original Mezzanine

6:30 pm **Council Dinner** | Park Ballroom

Thursday, May 31

8:00 am Breakfast | The Original Mezzanine

9:00 am **Convene, Opening Remarks, Introduction of Program** - Garret Yoshimi

9:15 am **Keynote** - Doug Selix, IT Security, Risk Management, and Accessibility Officer, Department of Enterprise Services, State of Washington

NWACC Member Experience: Washington State University - Sasi Pillay, WSU

Enterprise Risk Management: An IT View – There is a nexus between Risk Management, Records Management, Internal Audit, and IT that can be leveraged to focus organizational resources on risks at the enterprise level. All of these disciplines include Risk Management concepts, and each should feed the enterprise-level risk story.

10:30 am Break

11:00 am **NWACC Member Experience: Western Washington University ERM Framework** - Chuck Lanham, WWU

NWACC Member Experience: University of Hawai'i ERM "Lite" –
